Application No. 25388

BY THE COMMISSION:

**ORIGINAL**

ORDER

The Western Pacific Railroad Company is authorized to construct a spur track at grade across the intersection of Lincoln and Lindsay Streets in Stockton, San Joaquin County, at the location described in the application, to be identified as a portion of Crossing No. 4-101.9-C. Applicant shall bear entire construction and maintenance expense. Construction of said crossing shall be equal or superior to Standard No. 2 of G.O. No. 72, without superelevation and of a width to conform to the portion of the street now graded, with tops of rails flush with roadway, and with grades of approach not exceeding one per cent. No additional protection is required.

Within thirty days after completion pursuant to this order, applicant shall so advise the Commission in writing. This authorization shall become void if not exercised within one year, unless time be extended, or if above conditions are not complied with. Authorization may be revoked or modified if public convenience, necessity or safety so require. This order shall be effective immediately.

Dated at San Francisco California, this 8th day of December, 1942.
