BY THE COMMISSION:

OPINION AND ORDER

By this application L. J. Richter and H. H. Richter seek authority to lease to Herman E. Richter designated warehouse property and equipment used in the public utility warehouse business conducted at Dufour, Yolo County, as "Dufour Warehouse." A copy of the lease which applicants propose to execute is on file in this proceeding as Exhibit "D". It is represented that L. J. Richter and H. H. Richter desire to withdraw from the warehouse business and that Herman E. Richter will use the leased property to provide the public with service similar to that now being rendered. No change in tariff rates is proposed.

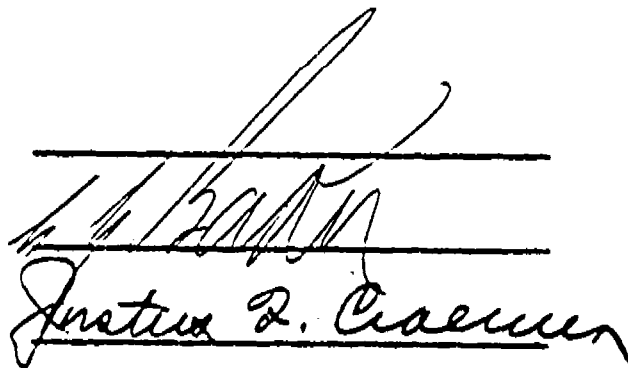

It appears that this is a matter in which a public hearing is not necessary and that the application should be granted. Therefore, good cause appearing,

IT IS HEREBY ORDERED that L. J. Richter and H. H. Richter be and they are hereby authorized to lease to Herman E. Richter the property used in the operation of the public utility warehouse situated at Dufour and described in this application as the "Dufour Warehouse," in accordance with the terms of the proposed lease set forth in Exhibit "D" of the application.

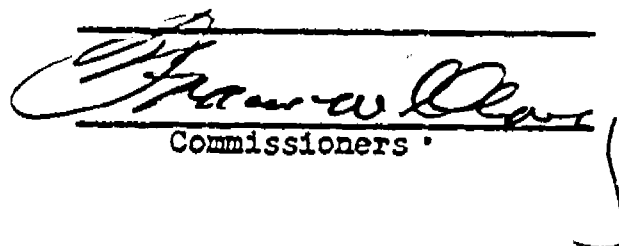

IT IS HEREBY FURTHER ORDERED that the authority herein granted is subject to the condition that L. J. Richter, H. H. Richter and Herman E. Richter shall comply with the requirements of the Commission's General Order No. 61 by filing, in duplicate, and concurrently making effective tariffs satisfactory to the Commission within sixty (60) days from the effective date hereof, and on not less than five (5) days' notice to the Commission and to the public.

This order shall become effective twenty (20) days from the date hereof.

Dated at San Francisco, California, this 17th day of July, 1943.
