

## Decision No. 36495

BEFORE THE RAILROAD COLLISSION OF THE STATE OF CALIFORNIA

ORIGINAL

In the Matter of the Application of SONOMA WATER AND IRRIGATION COMPANY for permission to purchase certain properties of the Boyes Springs Park Company.

Application No. 25673

BY THE CONGISSION:

## OPINION AND ORDER

In this proceeding Sonoma Water and Irrigation Company, a corporation, asks for authority to acquire a domestic water system serving the residents of a subdivision known as Boyes Springs Park, near Boyes Springs, Sonoma County, from Boyes Springs Park Company, a corporation, which joins in the application. The former company owns and operates the water system furnishing domestic water service in the vicinity of the City of Sonoma, and adjacent to Boyes Springs. A field investigation having been made and it appearing that this is not a matter in which a public hearing is necessary, and that the application should be granted, now, therefore,

IT IS HEREBY ORDERED that Boyes Springs Park Water Company, a corporation, be and it is hereby authorized to sell and transfer its water production and distribution facilities described in Exhibit "A" attached to the application herein, to Sonoma Water and Irrigation Company, a corporation.

IT IS HEREBY FURTHER ORDERED that upon compliance with the following conditions, Seller shall be relieved of all public utility obligations and liabilities in connection with said utility system:

- (a) Transfer shall be made on or before October 1, 1943, and a certified copy of the final instrument of conveyance shall be filed with this Commission by Seller on or before said date.
- (b) On or before October 1, 1943, Seller shall file with this Commission a certified statement indicating the date upon which control and possession of the water system were relinquished.

(c) On or before October 1, 1943, Seller shall refund to such consumers as may be entitled thereto all amounts, if any, deposited for main extensions, meters and service connections or for any other purposes and on or before October 1, 1943, they shall file with this Commission a certified statement to the effect that any and all of such deposits have been refunded.

IT IS HEREBY FURTHER ORDERED that Sonoma Water and Irrigation Company,

a corporation, be and it is hereby directed as follows:

- To file, within thirty (30) days after acquisition of said system, five copies of rates for service furnished in Boyes Springs, which rates shall not be higher, in any particular, than the existing rates charged by Seller.
- (2) To file, within sixty (60) days after acquisition, five copies of a map or sketch, drawn to an indicated scale, upon a sheet approximately 8½ x 11 inches in size, delineating the boundaries of the Boyes Springs service area, together with the boundaries of the present service area of said company in Sonoma County, it being understood, however, that the filing of such sketch shall not be considered as a conclusive determination of the area of dedication.
- (3) To file, within sixty (60) days after acquisition, four copies of a comprehensive map, drawn to an indicated scale of not less than 600 feet to the inch, delineating the Boyes Springs area served together with the Sonoma County area and its location with reference to sources and date thereof, and include data sufficient to determine clearly the location of the various properties comprising the service area.
- (4) This Order shall not be urged as a finding of value for any purpose whatsoever.

The authority herein granted shall become effective upon the date hereof. Dated at the Trancisco, California, this \_ 20 " 1943. day of

CONTENSIONERS.

Certified as a true copy

Secretary, Railroad Commission of the State of California.
