BEFORE THE RAILROAD COMMISSION OF THE STATE OF CALIFORNIA

In the Matter of the Application of)	
BRUCE W. ROBB, an individual doing)	
business as Robb Transportation, for)	Application No. 24927
an order authorizing the cancellation)	1st Supplemental
of that portion of his operative)	
right permitting the handling and)	
transportation of shipments of express.))	

BY THE COMMISSION:

FIRST SUPPLEMENTAL OPINION

Among his operations Bruce W. Robb, applicant herein, now provides a passenger stage service under a certificate of public convenience and necessity granted by the Commission's Decision No. 35366 which authorized the transportation of passengers and baggage and shipments of express weighing not to exceed 100 pounds on passenger vehicles between Salinas, Salinas Airport, Monterey County Hospital, Camp Kaiser, East Salinas, Camp McClellan, Spreckles Junction, Spreckles and intermediate points. In the above entitled application, applicant requests the Commission to revoke that portion of this certificate authorizing the transportation of shipments of express.

In support of this request it is asserted that at no time has applicant rendered express service between the points above referred to, nor has a demand for such transportation been made upon him by the public. Applicant asserts also that the equipment he now operates or is able to procure is not properly designed or equipped to provide an adequate service for the transportation of express. It is further stated that the principal points involved now have an express service provided by

Railway Express Agency and Pacific Greyhound Lines.

After due consideration it is our opinion that the authority sought is not adverse to the public interest and will be granted. A public hearing is not necessary.

FIRST SUPPLEMENTAL ORDER

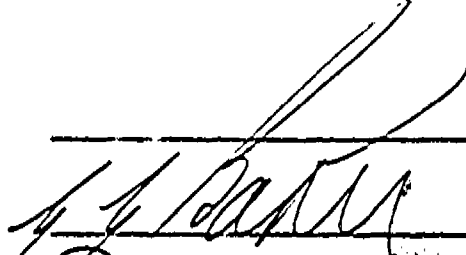

Good cause appearing,

IT IS ORDERED that Bruce W. Robb is hereby authorized to abandon the transportation of shipments of express between all points set forth in Decision No. 35366 and the operative right therefore created by said decision is hereby revoked and annulled.

IT IS FURTHER ORDERED that said Decision No. 35366 shall in all other respects remain in full force and effect.

The effective date of this order shall be the date hereof.

Dated at San Francisco, California, this 20th day of July, 1943.
