June 15th, 1943, for the sale of surplus
natural gas to The Dow Chemical Company
and Shell Chemical Company as Agents for
Rubber Reserve Company.

ORIGINAL

Application No. 25697.

BY THE COMMISSION:

O R D E R

Southern California Gas Company asks the Commission to approve contracts dated, respectively, June 2 and June 15, 1943, between it and The Dow Chemical Company and Shell Chemical Company as agents for Rubber Reserve Company. A copy of these contracts are filed in this application as Exhibits "A" and "B," respectively.

The Commission has considered the contracts and believes there is no need for a public hearing on this application and that Southern California Gas Company should be authorized to utilize its gas facilities in accordance with the terms of said contracts, therefore

IT IS HEREBY ORDERED that Southern California Gas Company be and it is hereby authorized to utilize its gas facilities and to perform the necessary service and work, all in accordance with the terms of the contracts filed in this application as Exhibits "A" and "B."

Dated at Los Angeles California, this 15th day of February, 1944.
