

Decision No. 36885

BEFORE THE RAILROAD COMMISSION OF THE STATE OF CALIFORNIA

In the Matter of Application of Southern Pacific Company for an order authorizing the construction at grade of railroad track across 27th Street, in the City of Richmond, County of Contra Costa, State of California.

ORIGINAL

Application No. 25996

BY THE COMMISSION:

O R D E R

Southern Pacific Company is authorized to construct a connecting track at grade across 27th Street in Richmond, Contra Costa County, at the location described in the application, to be identified as a portion of Crossing No. A-14.25-C. Applicant shall bear the entire construction and maintenance expense. Construction shall be equal or superior to Standard No. 2 of G.O. No. 72, without superelevation and of a width to conform to the portion of the street now graded, with tops of rails flush with roadway, and with grades of approach not exceeding four per cent. Protection shall be by existing Standard No. 1 crossing signs (G.O. No. 75-A).

This order is granted upon the express condition that applicant shall file with this Commission within thirty (30) days from the date hereof a certified copy of permit from Maritime Commission granting permission to occupy said 27th Street. If Maritime Commission should fail to grant such authority this order shall become null and void.

Within thirty days after completion pursuant to this order, applicant shall so advise the Commission in writing. This authorization shall become void if not exercised within one year, unless time be extended, or if above conditions are not complied with. Authorization may be revoked or modified if public convenience, necessity,

or safety so require. This order shall be effective immediately.

Dated at Los Angeles, California, February 15,

1944.
