ORIGINAL.

BY THE COMMISSION:

$\underline{O} \underline{R} \underline{D} \underline{E} \underline{R}$

In this application Southern Pacific Company requests authority to abandon and remove an overhead bridge crossing its tracks in the vicinity of Tiber Station, San Luis Obispo County. This structure was formerly a portion of a County Road which has now been reconstructed in a new location, and the portions of this road leading to the structure have been abandoned by the County and closed to public use by the adjacent owner. The owner of the property on both sides of the rallroad right of way at the point of crossing has consented to the removal of the crossing and has agreed in writing that he will not protest the application. It appears that a public hearing is not necessary in this matter, and that the application should be granted, therefore,

IT IS HEREBY ORDERED that Southern Pacific Company is authorized to abandon and remove an overhead highway crossing with its tracks in the vicinity of Tiber Station, San Luis Obispo County, Crossing No. E-259-4-A/ and to close and abandon, in so far as this Commission has authority to so do, the portion of Road No. 68 described in the application.

Within thirty days after abandonment pursuant to this order, applicant shall so advise the Cormission in writing ... This authorization shall become void if not exercised within one year, unless time
