

Decision No. 36903.

**ORIGINAL**

BEFORE THE RAILROAD COMMISSION OF THE STATE OF CALIFORNIA.

In the matter of the application of  
PACIFIC GAS AND ELECTRIC COMPANY for  
an order of the Railroad Commission  
of the State of California, issuing  
to applicant a certificate declaring that  
the public convenience and necessity  
require or will require the construction,  
operation, maintenance and use of a high  
pressure natural gas transmission main  
extending from applicant's Kettleman  
Compressor Station in Kings County to  
Fresno Junction, six miles west of the  
City of Fresno, Fresno County, California.

Application No. 24157.

BY THE COMMISSION:

ORDER OF DISMISSAL

Pacific Gas and Electric Company having, by letter of February 14, 1944, requested that the above numbered application be dismissed inasmuch as there is little prospect of proceeding with the construction of said project within the immediate future and good cause appearing therefore

IT IS ORDERED that the above numbered application be and it is hereby dismissed without prejudice.

Dated at San Francisco, California, this 29<sup>th</sup> day of

February, 1944.
