WALLACE L. WARE and JOHN E. HUNT, by John E. Hunt, for applicant.

LESTER O. LUCE, City Attorney of Gardena, for Gardena Municipal Bus Line, Protestant.

BY THE COMMISSION:

ORDER OF DISMISSAL

In the above-entitled proceeding Frank Atkinson sought a certificate to establish a passenger stage operation between Compton and Gardena and intermediate points, as an extension of his present operation between Los Angeles and Compton. The matter was partially heard before Examiner Paul at Los Angeles on March 23, 1944. The granting of the application was opposed by the city of Gardena which operates the Gardena Municipal Bus Line. Some evidence was adduced from two operative witnesses, called by applicant, following which the matter was adjourned to April 12, 1944 for further hearing. Subsequent to such adjournment the Commission received a written request from applicant for dismissal of the proceeding without prejudice.

Therefore, good cause appearing,

IT IS ORDERED that the above-entitled matter is hereby dismissed without prejudice.

The effective date of this order shall be the date hereof.

Dated at Los Angeles, California, this 11th day of April, 1944.
