line operated between Redding and Kennett,)
California.)

Application No. 23296

BY THE COMMISSION:

FIRST SUPPLEMENTAL OPINION AND ORDER

By Decision No. 32896, rendered March 12, 1940, in the above-entitled matters, the Commission authorized the Humboldt Motor Stages, Inc. to lease from Leslie T. Alward certain passenger stage operative rights and equipment as more particularly defined in such decision. The lease agreement provided for the payment of a rental of \$125 a month for a term of four years, and upon completion of the lease agreement title would be conveyed to the lessee.

In the supplemental application now filed it is recited that all sums required to be paid under the lease have been paid by Humboldt Motor Stages, Inc. and that Myrtle R. Alward, administratrix of the estate of Leslie T. Alward, deceased, will convey the properties. The Commission is now requested to authorize the transfer of the operative rights and equipment involved. Good cause appearing,

IT IS ORDERED as follows:

(1) That Myrtle R. Alward, administratrix of the estate of Leslie T. Alward, deceased, is hereby authorized to transfer, and Humboldt Motor Stages, Inc., is hereby authorized to acquire the operative rights and equipment referred to in the opinion of Decision No. 32896, rendered March 12, 1940, and to continue operation thereunder.

(2) That within thirty (30) days after the transfer of the properties as herein authorized, Humboldt Motor Stages, Inc. shall file with the Railroad Commission a copy of the bill of sale, covering such transfer.

The effective date of this order shall be the date hereof,

Dated at San Francisco, California, this 23rd day of May, 1944.

Charles R. ...
