

Decision No. 37292

BEFORE THE RAILROAD COMMISSION OF THE STATE OF CALIFORNIA

In the Matter of the Application of  
WESTERN WAREHOUSE AND TRANSFER COM-  
PANY to discontinue service as a  
public utility and to cancel rates.

Application No. 25620

ORIGINAL

BY THE COMMISSION:

OPINION AND ORDER ON PETITION FOR REHEARING

By the above application Western Warehouse and Transfer Com-  
pany sought authority to discontinue a public utility warehouse busi-  
ness in Los Angeles. Deciding shortly thereafter to sell its op-  
erative right to J. S. Craig, Western applied for an order authoriz-  
ing the transfer, which was granted by the Commission on June 8,  
1943 (Decision No. 36417, Application No. 25648). On July 23, 1943,  
Western dismissed its application to discontinue service. The Com-  
mission, however, by Decision No. 36757, of December 7, 1943 (as  
amended by Decision No. 36762 of December 9, 1943) granted the ap-  
plication to abandon service, following a further hearing in the  
transfer proceeding, wherein the transfer authorization was ordered  
rescinded. (Decision No. 36756, 45 C.R.C. 87.)<sup>(1)</sup> The authority  
to abandon, however, did not become effective, it having been sus-  
pended by a petition for rehearing filed by Western and Craig on  
December 16, 1943. Upon consideration of the petition, the Commis-  
sion is of the opinion that the application to discontinue service  
should be dismissed. A rehearing is not necessary.

(1) Petition for rehearing of Decision No. 36756, in Application  
No. 25648 was filed by Western and Craig on December 16, 1943. By

order and reinstated the transfer authorization contained in Deci-  
sion No. 36417.
