

Decision No. 37624

BEFORE THE RAILROAD COMMISSION OF THE STATE OF CALIFORNIA

In the matter of Application of Southern Pacific Company for an order authorizing the construction at grade of drill track and two (2) industry spur tracks in the City of El Centro, County of Imperial, State of California

Application No. 26517

**ORIGINAL**

BY THE COMMISSION:

O R D E R

Southern Pacific Company is authorized to construct one drill and two spur tracks at grade across First Street in El Centro, Imperial County, at the location described in the application, to be identified as Crossing No. BN-699.71-C.

Applicant shall bear entire construction and maintenance expense. Construction of said crossing shall be equal or superior to Standard No. 2 of G. O. No. 72, without superelevation and of a width to conform to the portion of the street now graded, with tops of rails flush with roadway, and with grades of approach not exceeding one per cent. Protection shall be by two Standard No. 1 crossing signs (G. O. No. 75-B).

Within thirty days after completion pursuant to this order, applicant shall so advise the Commission in writing. This authorization shall become void if not exercised within one year, unless time be extended, or if above conditions are not complied with. Authorization may be revoked or modified if public convenience, necessity or safety so require. This order shall be effective immediately.

Dated at San Francisco, California, this 16th day of January, 1945.
