

Decision No. 37752

BEFORE THE RAILROAD COMMISSION OF THE STATE OF CALIFORNIA

In the matter of the application of
 The Atchison, Topeka and Santa Fe
 Railway Company, a corporation, for
 authority to construct, maintain and
 operate two industry tracks upon and
 across Sixth Street, in the Town of
 Wasco, County of Kern, State of
 California.

ORIGINAL

Application No. 26619

BY THE COMMISSION:

C R D E R

The Atchison, Topeka and Santa Fe Railway Company is authorized to construct two side tracks at grade across Sixth Street in the Town of Wasco, Kern County, at the location described in the application, to be identified as a portion of Crossing No. 2-913,1. Applicant shall bear entire construction and maintenance expense. Construction of said crossing shall be equal or superior to Standard No. 2 of G. O. No. 72, without superelevation and of a width to conform to the portion of the street now graded, with tops of rails flush with roadway, and with grades of approach not exceeding three per cent. Protection shall be by existing signals.

Applicant shall within sixty (60) days from the effective date of this order submit a certified copy of franchise or permit from the County of Kern for the construction of said crossing at grade, and in the event that this is not done the authorization herein granted for the installation of said crossing shall lapse and become void, unless further time is granted by subsequent order.

Within thirty days after completion pursuant to this order, applicant shall so advise the Commission in writing. This authorization shall become void if not exercised within one year, unless time be extended, or if above conditions are not complied with. Authorization may be revoked or modified if public convenience, necessity or

safety so require. This order shall be effective immediately.

Dated at San Francisco, California, this 27th day
of March, 1945.
