ORIGINAL

BY THE COMMISSION:

ORDER

Southern Pacific Company is authorized to construct a spur track at grade across Addison Street in Berkeley, Alameda County, at the location described in the application, to be identified as a portion of Crossing No. A-9.1. Applicant shall bear entire construction and maintenance expense. Construction of said crossing shall be equal or superior to Standard No. 2 of G. O. No. 72, without superelevation and of a width to conform to the portion of the street now graded, with tops of rails flush with roadway, and with grades of approach not exceeding four per cent. Protection shall be by one Standard No. 1 crossing sign now in place (G. O. No. 75-B)

No train or car shall be operated over said crossing unless traffic on the highway is protected by a member of the train crew or other competent employee acting as flagman.

Within thirty days after completion pursuant to this order, applicant shall so advise the Commission in writing. This authorization shall become void if not exercised within one year, unless time be extended, or if above conditions are not complied with. Authorization may be revoked or modified if public convenience, necessity or
