ORIGINAL

Application No. 25629 2nd Supplemental

BY THE CONTUSSION:

SECOND SUPPLEMENTAL OPINION

Applicant Bruce W. Robb, doing business as Tassajara

Hot Springs Stage, holds a certificate of public convenience and necessity from the Commission authorizing seasonal operation as a

passenger stage corporation between Salinas and Tassajara Hot
(1)
Springs. His application recites that Tassajara Hot Springs will not
be opened for business during the 1945 season and hence there is no
need for the transportation service which applicant was authorized
to render and which he now asks permission to suspend temporarily.

In view of these circumstances, there appears no reason why applicant should not be permitted to suspend operation of the service, and the order herewith will so direct. A public hearing is not necessary.

SECOND SUPPLEMENTAL ORDER

IT IS ORDERED that Eruce W. Robb is hereby authorized to suspend until May 1, 1946, the operation of his service for the

⁽¹⁾ Decision No. 25928, dated May 8, 1933, in Application No. 18849.

transportation of passengers, beggage and express between Salinas and Tassajara Hot Springs, as set forth in Decision No. 25928.

The effective date of this order shall be the date

hereof.
