Application No. 26269  
First Supplemental

O P I N I O N

Decision No. 36592, in Application No. 25762, certificated D. Moyers to provide a passenger stage service between Clovis and Mt. Owens Range and intermediate points. Moyers has applied for authority to discontinue this service and requests that the certificate therefor be revoked. In support of this request, the application states that military activities at Mt. Owens Range no longer require a passenger stage service. This statement is verified by a letter from the Office of the Commanding Officer at Hammer Field, of which Mt. Owens Range is a part.

This is not a matter in which a public hearing is necessary and the request appearing to be in the public interest will be granted.

O R D E R

Good cause appearing,

IT IS ORDERED as follows:

- (1) That D. Moyer is hereby authorized to discontinue passenger stage service between Clovis and Mt. Owens Range and the certificate of public convenience and necessity therefor, granted by Decision No. 36592, in Application No. 25762, is hereby revoked and annulled effective concurrently with the cancellation of tariffs

as provided for in paragraph (2) of this order, but such revocation and annulment shall become effective not later than thirty-five (35) days after the effective date of this order.
