ORDER DISMISSING APPLICATION

In this proceeding Harry W. Hendrix sought authority to transfer to Edgar R. Ketchum and Dana E. Ketchum, partners doing business as Atlas Truck Lines, a certificate of public convenience and necessity, as a highway common carrier, authorizing the transportation of specified commodities between Los Angeles and certain Imperial Valley points. The operation was seasonal, extending, approximately from November 1 of each year to August 1 of the succeeding year. The application was opposed by Pacific Freight Lines, Pacific Freight Lines Express, Southern California Freight Lines and Southern California Freight Forwarders, who appeared as protestants. A public hearing was had before Examiner Austin at Los Angeles on

November 8 and 20, 1945. On the latter date, applicants moved for a dismissal of the proceeding. There being no opposition to this motion, the Commission having considered the matter, and good cause appearing,

IT IS ORDERED that the application in the above entitled proceeding be, and it hereby is, dismissed.

The effective date of this order shall be the date hereof.

Dated at San Francisco, California, this 10th day of December, 1945.
