ORIGINAL

Application No. 27544

OPINION AND ORDER

Applicant operates a public utility warehouse for the storage of grain at Merced. She seeks authority to lease 15,000 square feet of floor space to Smith and Hansen, wholesale grocers, for a period of one year. The verified application shows that the demand for storage of grain can be adequately met through the use of the remaining space and without any inconvenience to the storers.

It appears that this is a matter in which a public hearing is not necessary and that the application should be granted.

Therefore, good cause appearing,

IT IS HEREBY ORDERED that Mirth Montgomery, doing business as Merced Elevator Company, be and she is hereby authorized to lease 15,000 square feet of warehouse floor space to Edward R. Smith and Chas. Hansen, doing business as Smith and Hansen, Wholesale Grocers, in accordance with the terms and conditions set forth in the lease attached to this application.

This order shall become effective upon the date hereof.

Dated at San Francisco, California, this 5th day of June, 1946.
