

Decision No. 39074

BEFORE THE RAILROAD COMMISSION OF THE STATE OF CALIFORNIA

In the Matter of Application of Southern Pacific Company for an order authorizing the construction at grade of railroad industrial spur track upon and along Jensen Street easterly of High Street, in the City of Oakland, County of Alameda, State of California.

Application No. 27559

ORIGINAL

O R D E R

Southern Pacific Company is authorized to construct a spur track at grade across a portion of Jensen Street in Oakland, Alameda County, at the location described in the application, to be identified as Crossing No. D-10.78-C, Applicant shall bear entire construction and maintenance expense. Construction of said crossing shall be equal or superior to Standard No. 2 of G. O. No. 72, without superelevation and of a width to conform to the portion of the street now graded with tops of rails flush with roadway and with grades of approach not exceeding two per cent. Protection shall be by one Standard No. 1 crossing sign (G. O. No. 75-B).

Within thirty days after completion pursuant to this order applicant shall so advise the Commission in writing. This authorization shall become void if not exercised within one year, unless time be extended or if above conditions are not complied with. Authorization may be revoked or modified if public convenience, necessity or safety so require. This order shall be effective immediately.
