Decision No. 39859

BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

In the Matter of the Establishment of maximum or minimum, or maximum and minimum rates, rules and regulations of all common carriers as defined in the Public Utilities Act of the State of California, as amended, and all highway carriers as defined in Chapter 223, Statutes of 1935, as amended, for the transportation, for compensation or hire, of any and all commodities.

Case No. 4246

SUPPLEMENTAL OPINION AND ORDER

By petition, filed January 4, 1947, The Atchison, Topeka and Santa Fe Railway Company, Pacific Electric Railway Company, Southern Pacific Company and Union Pacific Railroad Company seek authority to enlarge their pickup and delivery zones at Riverside and to extend their present Riverside rates to the enlarged territory.

The verified petition shows that the area involved is contiguous to and actually a part of the community of Riverside; that it is situated within three miles of the corporate limits of that city; and that there are no industries or persons similarly situated which are not now receiving comparable service under the Riverside rates. Competing common carriers have been notified of the filing of the petition and have offered no objection to its being granted.

It appears that this is a matter in which a public hearing is not necessary and that the petition should be granted.

Therefore, good cause appearing,

IT IS HEREBY ORDERED that petitioners be and they are hereby authorized to enlarge their pickup and delivery zones at

Riverside as requested and to establish, for the transportation involved, rates less than the minimum rates prescribed by Decision No. 31606, as amended, in this proceeding, but not less than those prescribed for like transportation from and to Riverside, on not less than five (5) days' notice to the Commission and to the public.

The authority herein granted shall be void unless exercised within ninety (90) days of the effective date hereof.

This order shall become effective twenty (20) days from the date hereof.

Dated at San Francisco, California, this 13<sup>th</sup> day of January, 1947.
