ORIGINAL

Application No. 28297

O R D E R

Southern Pacific Company is authorized to construct one spur and one drill track at grade across Hollis Street in Emeryville, Alameda County, at the location described in the application, to be identified as Crossing No. A-7-83-C. Applicant shall bear entire construction and maintenance expense. Construction of said crossing shall be equal or superior to Standard No. 2 of G. O. No. 72, without superelevation and of a width to conform to the portion of the street now graded, with tops of rails flush with roadway, and with grades of approach not exceeding one per cent. Protection shall be by two Standard No. 1 crossing signs (G. O. No. 75-B). Train movements shall be flagged across said street.

Within thirty days after completion pursuant to this order, applicant shall so advise the Commission in writing. This authorization shall become void if not exercised within one year, unless time be extended, or if above conditions are not complied with. Authorization may be revoked or modified if public convenience, necessity or safety so require. The effective date of this order shall be twenty (20) days from the date hereof.

Dated at San Francisco California, April 1 1947.
