Application
No. 28253

FIRST SUPPLEMENTAL ORDER

The Commission, by Decision No. 40094, dated March 25, 1947 authorized Southern California Freight Lines to issue, on or before May 31, 1947, a note in the principal amount of \$18,000 and to execute a deed of trust to secure the payment of such note, all for the purpose of acquiring and constructing a freight terminal in Indio, California.

Applicant reports that because of the delay in procuring a certificate of title to some of the terminal properties, it may not be in a position to execute the deed of trust prior to May 31, 1947. It therefore asks the Commission to extend to June 30, 1947 the time within which said note may be issued and said deed of trust executed.

The Commission has considered applicant's request and believes that such request should be granted, therefore,

IT IS HEREBY ORDERED that the order in Decision No. 40094, dated March 25, 1947 is hereby amended by substituting June 30, 1947 for May 31, 1947 in the first ordering paragraph of said order.

IT IS HEREBY FURTHER ORDERED that the order in Decision No. 40094, dated March 25, 1947 shall remain in full force and effect except as modified by this First Supplemental Order.

IT IS HEREBY FURTHER ORDERED that this order is effective upon the date hereof.

Dated at San Francisco California, this 27th day of May 1947.
