SUPPLEMENTAL OPINION AND ORDER

Decision No. 40724 of September 16, 1947, in these proceedings, established revised minimum rates for the transportation of rock, sand, gravel and other materials in dump trucks between Los Angeles County and other southern California points. By petition filed December 11, 1947, Southern California Rock Products Association points out that rates from Los Angeles County Production Area "M" to Delivery Zones 66-F, 66-G, 67-A, 67-B, 67-C and 67-F, established by the aforesaid Decision No. 40724, are not on the same basis as other Los Angeles County zone rates. Petitioner requests that the rates in question be adjusted so as to conform with the general Los Angeles County rate pattern.

Other interested parties have been notified of the filing of the petition and have offered no objection to its being granted.

It appears that the sought changes are necessary to adjust the rates involved to the levels contemplated by Decision No. 40724, supra. The petition will be granted. A public hearing is not necessary.

Therefore, good cause appearing,

IT IS HEREBY ORDERED that City Carriers' Tariff No. 6 - Highway Carriers' Tariff No. 7 (Appendix "A" to Decision No. 32566, as amended) be and it is hereby further amended by incorporating therein, to become effective January 26, 1948, Fifth Revised Page 36 cancels Fourth Revised Page 36, which page is attached hereto and by this reference made a part hereof.

In all other respects, Decision No. 32566, as amended, shall remain in full force and effect.

This order shall become effective twenty (20) days from the date hereof.

Dated at San Francisco, California, this 22nd day of December, 1947.
