ORDER OF REVOCATION

By Decision No. 39086 in Application No. 27408, a certificate was granted to R. O. Barrett authorizing the transportation of passengers between Taft, Ford City, Taft View Terrace and intermediate points. Applicant Barrett now seeks authority to discontinue and abandon that operation asserting, in substance, as the reason therefor, that the revenues from the operation are insufficient to justify continued operation. He reports approximate revenues of \$3,136 for the period April - October 1947, inclusive, and approximate expenses of operation of \$3,046 for the same period.

A full consideration of applicant's request leads to the conclusion that it should be granted. A public hearing is not necessary.

Therefore, and good cause appearing,

IT IS ORDERED that R. O. Barrett is hereby authorized to discontinue and abandon passenger stage service between Taft, Ford City, Taft View Terrace and intermediate points and the operative right therefor created by Decision No. 39086 is hereby revoked and

annulled and all effective tariffs and time tables on file with the Commission in the name of R. O. Barrett are hereby cancelled.

The effective date of this order shall be 20 days from the date hereof.

Dated at San Francisco, California, this 3rd day of February, 1948.
