Decision No. 41272

BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

In the Matter of the Application of
THE ATCHISON, TOPEKA AND SANTA FE RAILWAY
COMPANY to relocate and maintain railway
tracks and to operate trains over and on
said tracks upon and across Arboleda Road
in the County of Merced, State of California.)

Application No. 28983

O R D E R

The Atchison Topeka and Santa Fe Railway Company is authorized to construct a passing track at grade across Arboleda Road at Tuttle, Merced County, at the location described in the application, to be identified as a portion of Crossing No. 2-1050.4. Applicant shall bear entire construction and maintenance expense. Construction of said crossing shall be equal or superior to Standard No. 2 of G. O. No. 72, without superelevation and of a width to conform to the portion of the road now graded, with tops of rails flush with roadway and with grades of approach not exceeding three per cent. Protection shall be by existing Standard No. 1 crossing signs (G. O. No. 75-B). Trains on said track shall stop not less than 200 feet from center of said street while waiting for a meet with another train.

Within thirty days after completion pursuant to this order, applicant shall so advise the Commission in writing. This authorization shall become void if not exercised within one year unless time be extended or if above conditions are not complied with. Authorization may be revoked or modified if public convenience, necessity, or safety so require. This order shall be effective twenty days from the date hereof.

Dated at San Francisco, California, March 2 1948.
