

Decision No. 41469

BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

In the matter of the application of the People)
of the State of California, on relation of the)
Department of Public Works, for an order author-)
izing construction of a crossing at grade of the) Application
State Highway, Route 7 (U.S. 40), and the tracks) No. 29214
of the Sacramento Northern Railway, (Vacaville)
branch), one mile west of Fairfield, in the)
County of Solano, California.)

ORIGINAL

O R D E R

The Department of Public Works of the State of California is authorized to construct State Highway Route 7 (U.S. 40) at grade across the Willota branch of Sacramento Northern Railway and to alter an existing crossing with said track (Crossing No. 8F-14.0) near Fairfield, Solano County, at the locations shown on Exhibit "A" attached to the application. The new crossing of State Highway Route 7 shall be identified as Crossing No. 8F-13.9. Applicant shall bear entire construction expense, also maintenance cost outside of lines two feet outside of rails. Sacramento Northern Railway shall bear maintenance cost between such lines. Crossings shall be constructed or reconstructed substantially as shown on Exhibit A. Construction shall be equal or superior to Standard No. 3 B of G.O. No. 72. Protection shall be by two Standard No. 8 crossing signals (G.O. No. 75-B), installed at expense of applicant and thereafter maintained by Sacramento Northern Railway.

Within thirty days after completion pursuant to this order, applicant shall so advise the Commission in writing. This authorization shall become void if not exercised within two years unless time be extended, or if above conditions are not complied with. Authorization may be revoked or modified if public convenience, necessity, or safety so require.

The effective date of this order shall be twenty days
from the date hereof.

Dated at San Francisco, California, April 13, 1948.
