Application  
No. 29187

O R D E R

The Department of Public Works of the State of California is authorized to construct a crossing of State Highway Route 2 (Hollywood Parkway) at separated grades over the tracks of the Glendale Line of Pacific Electric Railway Company at the location shown on the map (Exhibit A) attached to the application, to be identified as Crossing No. 6G-2.22-A. Construction and maintenance expense shall be borne in accordance with an agreement entered into between the parties relative thereto, and a copy of said agreement, together with plans of said crossing approved by Pacific Electric Railway Company, shall be filed with the Commission prior to commencing construction. Should the parties fail to agree, the Commission will apportion the cost of construction and maintenance by further order.

Minimum clearances of the completed structure shall be 19 feet, as provided for in Section 13.2 of General Order No. 26-D, but during construction period applicant is authorized to temporarily provide vertical overhead clearances of 16 feet, 6 inches.

Within thirty days after completion pursuant to this order, applicant shall so advise the Commission in writing. This authorization shall become void if not exercised within two years, unless time

be extended, or if above conditions are not complied with.

The effective date of this order shall be twenty days from the date hereof.

Dated at San Francisco, California, this 27<sup>th</sup> day of April, 1948.
