OPINION AND ORDER

Pacific Greyhound Lines, a corporation, asks permission to execute a deed to Davis & Meyer Building Company in the form attached to this application and marked Exhibit "A", transferring to said company the title to the following described property:

Lots 30 and 31 in Block 25 of the Townsite of El Centro in the City of El Centro, County of Imperial, State of California, as per map thereof Number 953, filed in the office of the County Recorder of San Diego County.

Applicant is using the said property for garage purposes. It intends to acquire from Davis & Meyer Building Company property immediately east of the above described property. The property to be acquired has a frontage on State Street, El Centro, of about 125 feet and comprises Lots 32, 33, 34, 35 and 36 in Block 25 of the Township of El Centro. The property will be acquired by exchanging the present property plus the sum of \$1,500. Applicant intends to construct on said property a garage and depot facilities. It is of the opinion that such construction will improve its service in El Centro.

The Commission has considered Applicant's request and is of the opinion that this is not a matter on which a hearing is

necessary, and that this application should be granted, therefore,

IT IS HEREBY ORDERED that Pacific Greyhound Lines be, and it is hereby, authorized to execute a deed to Davis & Meyer Building Company in the form attached to this application and marked Exhibit "A", and thereby transfer to said Davis & Meyer Building Company the title to properties described in said deed.

IT IS HEREBY FURTHER ORDERED that the action taken herein shall not be construed to be a finding of the value of the properties herein authorized to be transferred.

IT IS HEREBY FURTHER ORDERED that this order is effective upon the date hereof.

Dated at San Francisco, California, this 8th day of June, 1948.
