SECOND SUPPLEMENTAL ORDER

Suburban Water Company reports that it issued the \$100,000 note authorized by Decision No. 40990, dated December 1, 1947. By said decision, as amended by Decision No. 41581, dated May 11, 1948, Applicant was directed to file with the Commission, on or before June 1, 1948, among other things, a statement showing the purposes for which it expended the note proceeds.

Applicant did not file such statement because some of the construction work which was being financed through the note issue was not completed within that time. It asks the Commission to extend the time within which to file the data required by paragraph "3" of the Order in said Decision No. 40990, as amended, to August 1, 1948.

The Commission has considered Applicant's request and believes that it should be granted, therefore,

IT IS HEREBY ORDERED that paragraph "3" of the Order in said Decision No. 40990, as amended, be, and the same is hereby, amended to read as follows:

"3. On or before August 1, 1948, Suburban Water Company shall file with the Public Utilities Commission two (2) certified copies of the loan agreement executed under the authority herein granted, a copy of the note issued under the authority herein granted, and a statement showing the purposes for which it expended the proceeds of said note."

IT IS HEREBY FURTHER ORDERED that this Second Supplemental Order is effective upon the date hereof.

Dated at San Francisco, California, this 8<sup>th</sup> day of June, 1948.
