Application No. 29543

O R D E R

The Department of Public Works of the State of California is authorized to construct a crossing at grade of two drill tracks to be owned by the City of Oakland and at present operated by Southern Pacific Company, with 19th Avenue in Oakland, Alameda County, at the location described in the application, to be identified as Crossing No. D-8.7-C. Applicant shall bear entire construction expense. Maintenance cost shall be borne in accordance with agreement between the interested parties. Width of crossing shall be not less than twenty-four feet and grades of approach not greater than shown on Exhibit "A" attached to the application. Construction shall be equal or superior to Standard No. 2 of G.O. No. 72. Protection shall be by two Standard No. 8 crossing signals (G. O. No. 75-B).

Within thirty days after completion pursuant to this order, applicant shall so advise the Commission in writing. This authorization shall become void if not exercised within two years unless time be extended, or if above conditions are not complied with. Authorization may be revoked or modified if public convenience, necessity, or safety so require. The effective date of this order shall be twenty days from the date hereof.

Dated at San Francisco, California, August 24, 1948.
