FIRST SUPPLEMENTAL OPINION AND ORDER

The Public Utilities Commission, by Decision No. 41957, dated August 17, 1948, authorized Jefferys' Mill & Warehouse Company, Inc., among other things, to issue and sell at par for cash, on or before December 31, 1948, 1,250 shares of its 5% cumulative preferred stock, of the par value of \$100 a share, and to use the proceeds to pay expenses incident to the issue and sale of said stock, to pay indebtedness and to maintain its service and business. The company is engaged in the public utility warehouse business in Winters and in purchasing, selling and processing grain.

The company reports that it has been unable to dispose of its preferred stock. However, it desires to continue with its efforts to sell such stock and accordingly has requested an extension of time of six months within which to do so.

The Commission has considered this matter and is of the opinion that the company's request should be granted, as herein provided; therefore,

IT IS HEREBY ORDERED as follows:

1. The time within which Jefferys' Mill & Warehouse Company, Inc., may issue and sell the preferred stock authorized by Decision No. 41957, dated August 17, 1948, is hereby extended to and including June 30, 1949.

2. The authority herein granted is effective as of the date hereof.

Dated at San Francisco, California, this 12th day of January, 1949.
