

Decision No. 42580

**ORIGINAL**

BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

In the Matter of the Application of  
 CALIFORNIA WATER SERVICE COMPANY,  
 a corporation,  
 for an order authorizing it to increase  
 rates charged for water service in the  
 City of Oroville and vicinity.

Application No. 29442

FIRST SUPPLEMENTAL OPINION AND ORDER

By Decision No. 42563, dated March 1, 1949, California Water Service Company was authorized and directed to file new schedules of rates for water service in Oroville and vicinity. Schedule No. 2, General Metered Service, attached to that decision incorrectly stated the rate applicable to the consumption of the first 500 cubic feet of water per meter per month. Such rate was shown as \$1.00, whereas the rate should have been \$1.40. The rate of \$1.00 is inconsistent with the opinion and conclusions of Decision No. 42563, therefore,

IT IS HEREBY ORDERED that the rate provision of Schedule No. 2, General Metered Service, shown in Exhibit A attached to Decision No. 42563 which reads,

"For the first 500 cubic feet or less . . . . . \$1.00"

be and it is hereby revised and amended to read,

For the first 500 cubic feet or less . . . . . \$1.40

In all other respects Decision No. 42563 is unchanged.

The effective date of this order is the date hereof.

Dated at San Francisco, California, this 27th day of  
March, 1949.
