 struction of crossings at separated) Application No. 30078
 grades of the State highway, Route 37,)
 and the tracks of the Southern Pacific)
 Company at Bowman in Placer County,)
 State of California.)

O R D E R

The Department of Public Works of the State of California is authorized to construct the westbound roadway of State Highway 37 at separated grades over the eastward main line track (Crossing No. AX-128.5-A) and over the westward main line track and a passing track (Crossing No. AX-127.7-A) of Southern Pacific Company, near Bowman, Placer County, at the locations as shown by map (Exhibit A) attached to the application. Construction and maintenance expense shall be borne in accordance with agreement or agreements entered into between the parties relative thereto, and copy of said agreement or agreements, together with plans of said crossings approved by Southern Pacific Company, shall be filed with the Commission prior to commencing construction. Should the parties fail to agree, the Commission will apportion the cost of construction and maintenance by further order. Clearances shall conform to the provisions of G.O. 26-D. During construction only, overhead clearances of 20 feet may be maintained provided train speeds do not exceed twenty miles per hour, train crews are notified by bulletin or train order of said impaired clearances, and telltales are maintained over the tracks not less than 200 feet in advance of the point of impaired clearance.

Within thirty days after completion pursuant to this order applicant shall so advise the Commission in writing. This authorization shall become void if not exercised within two years, unless time

be extended or if conditions are not complied with.

The effective date of this order shall be twenty days after the date hereof.

Dated at San Francisco, California, this 29th day of March, 1949.
