FIRST SUPPLEMENTAL ORDER

WHEREAS, the Public Utilities Commission by Decision No. 42484, dated February 8, 1949, authorized Glenn Thomas to sell to C. B. Schuchardt, on or before March 31, 1949, a certificate of public convenience and necessity and certain equipment used in the operation of a passenger stage line between Livermore and Arroyo Sanitorium and intermediate points, and authorized C. B. Schuchardt, on or before March 31, 1949, to execute a mortgage of chattels and to issue a note for \$7,300 in part payment for said properties; and,

WHEREAS, the order of the Commission stated that the authority granted would become effective when C. B. Schuchardt paid the minimum fee of \$25.00 prescribed by Section 57 of the Public Utilities Act; and,

WHEREAS, applicants now report that C. B. Schuchardt through oversight did not pay the minimum fee before March 31, 1949, and that therefore the authority granted by said Decision No. 42484 did not become effective before that date, but that he

did make such payment on April 13, 1949; and,

WHEREAS, applicants desire to complete the transfer of the operative rights and properties; therefore,

IT IS HEREBY ORDERED that the order in Decision No. 42484, dated February 8, 1949, be, and it hereby is, modified so as to substitute the date June 1, 1949, in place of the date March 31, 1949, wherever March 31, 1949, appears in said order.

The authority herein granted is effective on the date hereof.

Dated at San Francisco, California, this 3rd day of May, 1949.
