SECOND SUPPLEMENTAL ORDER

By Decision No. 42619, dated March 15, 1949, the Commission authorizes Morello Central Valley Warehouse Co. to issue and sell, prior to June 30, 1949, 1,000 shares of its capital stock, and requires it to file with the Commission, on or before July 31, 1949, a certain report of said stock issue.

On May 20, applicant filed its second supplemental application, in which it reports that it did not receive a permit until May 16, 1949, from the U. S. The Commission has considered applicant's second supplemental application and is of the opinion that a hearing thereon is not necessary, and that its requests should be granted, as herein provided; therefore,

IT IS HEREBY ORDERED as follows:

1. The time within which Morello Central Valley Warehouse Co. may issue and sell said 1,000 shares of stock authorized by Decision No. 42619 dated March 15, 1949 is hereby extended to September 30, 1949.

2. Morello Central Valley Warehouse Co. shall file with the Commission on or before October 31, 1949 a report showing the number of shares of stock issued under the authority herein granted, the names of the persons to whom said shares were issued, the consideration received for said shares, and the purposes for which the proceeds were expended.

3. The effective date of this second supplemental order is the date hereof.
