

Decision No. 43056

ORIGINAL

BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

In the Matter of the Application
of Pinedale Compress & Warehouse
Co., a corporation, for a
certificate of public convenience
and necessity to operate a public
water supply system.

Application No. 30089
(First Supplemental)

FIRST SUPPLEMENTAL ORDER

Pinedale Compress & Warehouse Co., by the above-entitled supplemental application, filed June 17, 1949, requests that the effective date of the original order in this proceeding, Decision No. 42988, be shortened in order that billings may be made on the first day of each month, starting July 1, 1949. Applicant states that this will save the complication of prorated billing the first month, and, in view of the fact that there was no opposition to the original application at the hearing, the Commission will grant applicant's request. Good cause appearing, therefore,

IT IS HEREBY ORDERED that the effective date of the order in Decision No. 42988 shall be June 30, 1949.

The effective date of this order shall be the date hereof.

Dated at San Francisco, California this 28th day
of June, 1949.
