service, by extension of Route "C")
to 54th Street and Redwood Street.)

O P I N I O N

By this application, San Diego Transit System, a corporation, requests authority to extend its present Route "C" bus line from the intersection of 47th Street & Federal Boulevard to the intersection of 54th Street & Redwood Street. As justification for the proposed extension, applicant states that residents living along the proposed extension have requested bus service to reach shopping areas and, particularly, for the convenience of school children. The present population along the proposed route will require only several morning and afternoon schedules which will later be increased as demand for service develops. The proposed extension is not competitive with any other bus operator.

Applicant proposes to incorporate the proposed route extension into its established zone system. It is proposed to locate the zone line between Zone 2 and Zone 3 at Euclid Avenue and Federal Boulevard, which will place the major portion of the extension in the added Zone 3, with respective zone fares applying thereto.

The application is not opposed and, as it appears to be in the public interest, it will be granted. A public hearing is not necessary.

O R D E R

Application having been made therefor, and the Commission being fully advised in the premises and finding that public convenience and necessity so require,

IT IS ORDERED:

(1) That the second paragraph in Route C, of paragraph (2) of the order in Decision No. 42518, in Application No. 29962, be, and it hereby is, amended to read as follows:

Beginning at the intersection of Market Street and 45th Street, thence along 45th Street, Hilltop Drive, 47th Street, Federal Boulevard, Euclid Avenue, and 54th Street to Redwood Street.

(2) That in all other respects Decision No. 42518 shall remain in full force and effect.

The effective date of this order shall be twenty (20) days after the date hereof.

Dated at San Francisco, California, this 16th day of August, 1949.
