

Decision No. 42314

BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

In the Matter of the Investigation )  
into the rates, rules, regulations, )  
charges; allowances and practices )  
of all common carriers, highway car- )  
riers, and city carriers, relating )  
to the transportation of property: )

Case No. 4806

ORIGINAL

SUPPLEMENTAL OPINION AND ORDER

Minimum rates for the transportation of gravel, sand and stone in dump truck equipment are set forth in City Carriers' Tariff No. 6 - Highway Carriers' Tariff No. 7. Item No. 239-B of that tariff names a rate from points in Ventura County Production Area "C" to railroad loading facilities near Saticoy. Attention has been called to the fact that the zone within which the railroad facilities involved are located, while correctly described, is incorrectly designated in the tariff as Zone 35 instead of Zone 36. The necessary correction will be made. A public hearing is not necessary.

Therefore, good cause appearing,

IT IS HEREBY ORDERED that City Carriers' Tariff No. 6 - Highway Carriers' Tariff No. 7 (Appendix "A" of Decision No. 32566, as amended, in Cases Nos. 4246 and 4434) be and it is hereby further amended by incorporating therein Fourth Revised Page 36-C cancels Third Revised Page 36-C, which page is attached hereto and by this reference made a part hereof.

This order shall become effective twenty (20) days after the date hereof.

Dated at Los Angeles, California, this 20<sup>th</sup> day of September, 1949.
