Application No. 30867

O P I N I O N

Applicant, Fresno City Lines, Inc., presently engaged in conducting a passenger stage service within the City of Fresno and between the city and adjacent areas, requests the Commission to amend Route No. 2-B as described in Decision No. 42882, in Application No. 30214, to permit it to extend operation over Weldon Avenue to Maywood Drive South and North Seventh Street.

Due to the construction of bridges by the City of Fresno over the Herndon Canal at Millbrook and McKinley Avenues, applicant's No. 2-B route has been detoured along Weldon Avenue to Cedar Street and North Twelfth Street to Floradora Avenue.

As the result of this detour applicant has afforded service to two newly constructed areas consisting of 381 homes, located several blocks from applicant's presently certificated route. According to applicant many requests have been made for a permanent service. It is to those areas that the proposed service would extend without any change in the present schedules.

After full consideration of applicant's request, the Commission is of the opinion and finds that the proposed change in route will afford a more satisfactory transportation service to the public. Therefore, the application will be granted by amending the route involved as described in said Decision No. 42882. A public hearing does not appear to be necessary.

O R D E R

Application having been made as above entitled, and it being hereby found that public convenience and necessity so require,

IT IS ORDERED that Route No. 2-B as described in paragraph (4) subparagraph (b) of the order of Decision No. 42882 in Application No. 30214 is hereby amended to read as follows:

"Starting at Fresno Avenue and University Avenue, thence along University Avenue, North First Street, Weldon Avenue, Maywood Drive South, North Seventh Street, McKinloy Avenue, Millbrook Avenue, Floradora Avenue to Fresno Avenue."

The effective date of this order shall be 20 days after the date hereof.

Dated at San Francisco, California, this 10th day of January, 1950.
