ORDER

Ventura County is authorized to construct Loma Drive at grade across the Ojai Branch of Southern Pacific Company near Ojai, in that County, at the location described in the application, to be identified as Crossing No. BAE-409.6. Applicant shall bear entire construction expense, also maintenance cost outside of lines two feet outside of rails. Southern Pacific Company shall bear maintenance cost between such lines. Width of crossing shall be not less than 24 feet and grades of approach not greater than six per cent. Construction shall be equal or superior to Standard No. 2 of General Order No. 72. Protection shall be by two Standard No. 1 crossing signs (General Order No. 75-B).

Within thirty days after completion pursuant to this order, applicant shall so advise the Commission in writing. This authorization shall become void if not exercised within one year, unless time be extended, or if above

conditions are not complied with. Authorization may be revoked or modified if public convenience, necessity, or safety so require.

The effective date of this order shall be twenty (20) days after the date hereof.

Dated at San Francisco, California, this 24th day of January, 1950.
