RAILWAY COMPANY, a corporation, for)	
authority to construct, operate and)	Application No. 31082
maintain a track across Van Allen)	
Road in the County of San Joaquin,)	
State of California.)	

O R D E R

In Decision No. 43900 in the above entitled application applicant was authorized to construct a passing track at grade across Van Allen Road in San Joaquin County and said decision provided that protection would be fixed by subsequent order. It now appears that protection as specified in the following order should be provided.

IT IS HEREBY ORDERED that the crossing of the passing track with Van Allen Road, San Joaquin County, Crossing No.2-1105.8, shall be protected by one additional Standard No. 1 Crossing Sign (C.O. 75-B) and that no train or portion of train be allowed to stand on said passing track within 500 feet from the crossing unless traffic on the highway is protected against main line train movements by a competent employee of applicant acting as a flagman.

In other respects said Decision No. 43900 is hereby affirmed and is in full force and effect. The effective date of this order shall be the date hereof.

Dated at San Francisco, California, this 28th day of March, 1950.
