Decision No. 44069

BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

In the Matter of the Application of )  
PACIFIC GREYHOUND LINES, a corporation, )  
for a certificate of public convenience )  
and necessity authorizing the transpor- )  
tation of passengers, baggage and express )  
between Santa Rosa and Calistoga via Mark )  
West Road, serving all intermediate )  
points, and to consolidate such certifi- )  
cate with the remainder of applicant's )  
system. )

Application No. 27292  
First Supplemental

ORDER OF DISMISSAL

By First Supplemental Application No. 27292, Pacific Greyhound Lines requested authority to reduce its passenger stage service between Santa Rosa and Calistoga and intermediate points, as certificated by Decision No. 38881, to a seasonal operation between the approximate dates of June 15 and September 15 of each year.

Applicant now requests dismissal of said first supplemental application and good cause appearing,

IT IS ORDERED that the above entitled matter is hereby dismissed without prejudice.

Dated at San Francisco California, this 18th day of April, 1950.
