FIRST SUPPLEMENTAL ORDER

By Decision No. 44085, dated April 25, 1950, the Commission authorized Pacific Gas and Electric Company to execute a Fifth Supplemental Indenture, dated May 1, 1950, to its First and Refunding Mortgage for the purpose, primarily, of increasing its total authorized bonded indebtedness to \$800,000,000, of specifically subjecting to the lien of the indenture subsequent acquisitions of property, and of making certain amendments to conform with provisions of the Trust Indenture Act.

In a first supplemental application filed on May 19, 1950, the company reports that it has concluded to make certain changes in the form of the Fifth Supplemental Indenture heretofore filed in connection with the original application herein, with respect to compliance with the Trust Indenture Act. It has filed a revised form of said Fifth Supplemental Indenture, to be dated May 15, 1950, as Exhibit C attached to its first supplemental application and has requested the Commission to make an order authorizing it to execute the same.

The Commission has considered this matter and is of the opinion that the company's request should be granted; therefore,

IT IS HEREBY ORDERED that the order in Decision No. 44085, dated April 25, 1950, is amended to read as follows:

"IT IS HEREBY ORDERED that Pacific Gas and Electric Company may execute a Fifth Supplemental Indenture, dated May 15, 1950, in substantially the same form as that filed in this proceeding as Exhibit C.

"IT IS HEREBY FURTHER ORDERED that within thirty (30) days after the execution of said indenture, applicant shall file two (2) copies thereof with the Commission."

This first supplemental order is effective upon the date hereof.

Dated at San Francisco, California, this 26<sup>th</sup> day of May, 1950.
