O R D E R

Pacific Electric Railway Company is authorized to construct one side track at grade across an existing 40-foot roadway in the City of Long Beach, Los Angeles County, at the location described in the application, to be identified as a portion of Crossing No. 6LDB-1.47. Applicant shall bear the entire construction and maintenance expense. Construction shall be equal or superior to Standard No. 2 of General Order No. 72, and of a width to conform to the portion of the street now graded, with tops of rails flush with roadway, and with grades of approach not exceeding three per cent. Protection shall be by two existing Standard No. 1 crossing signs, General Order No. 75-B.

Within thirty (30) days after completion pursuant to this order, applicant shall so advise the Commission in writing. This authorization shall become void if not exercised within one year, unless time be extended, or if above conditions are not complied with. Authorization may be revoked or modified if public convenience, necessity, or safety so require.
