Case No. 4808

SUPPLEMENTAL OPINION AND ORDER

Decision No. 44633 entered today in this proceeding established state-wide minimum rates, rules and regulations for the transportation of cement, and for the transportation of lime, cement flue dust, and powdered limestone in mixed shipments with cement when shipped in quantities of 38,000 pounds or more. The rates, rules and regulations partly supersede provisions of Highway Carriers' Tariff No. 2 (Appendix "D" to Decision No. 31606, as amended, in Case No. 4246). That tariff will be amended accordingly.

Therefore, good cause appearing,

IT IS HEREBY ORDERED that Decision No. 31606, as amended, in Case No. 4246, be and it is hereby further amended by incorporating in Highway Carriers' Tariff No. 2 (Appendix "D" to said decision, as amended), to become effective September 15, 1950, the supplement and revised pages attached hereto and by this reference made a part hereof, which supplement and pages are numbered as follows:

Supplement No. 13
Eighteenth Revised Page 14 cancels Seventeenth Revised Page 14
Fourth Revised Page 49-B cancels Third Revised Page 49-B

IT IS HEREBY FURTHER ORDERED that any tariff publications of common carrier respondents filed pursuant to this order may be made effective not earlier than September 15, 1950, on less than

thirty (30) days' notice but on not less than five (5) days' notice to the Commission and to the public.

In all other respects Decision No. 31606, as amended, shall remain in full force and effect.

This order shall become effective thirty (30) days after the date hereof.
