Application No. 31608

ORIGINAL

O P I N I O N

Applicant, Fresno City Lines, Inc., presently rendering a passenger stage service within and between Fresno, Pinedale, Fig Gardens and intermediate points, requests authority to extend one of its routes along Kirk Avenue, Grove Avenue, Holly Avenue for a distance of 0.8 miles.

The authority to operate over the route as presently described was granted in Decision No. 42882 dated May 17, 1949, in Application No. 30214.

Applicant does not propose any change in fares or schedules.

In justification for the authority sought applicant alleges that there are 307 new homes, either completed or now under construction, within a radius of five blocks from the proposed extension and that there is no other common carrier serving locally within the proposed area.

After full consideration it is the opinion of the Commission that there is a public need for the proposed extension. The authority sought will be granted by amending the route description of Route No. 6-A described in Decision No. 42882 in Application No. 30214.

O R D E R

Application having been made and the Commission being fully advised in the premises and it being found that public convenience and necessity so require,

IT IS ORDERED:

(1) That the route description of Route No. 6-A in the order of Decision No. 42882 in Application No. 30214 is hereby amended to read as follows:

"Route No. 6-A

Starting at Fresno Street and C Street, thence along C Street, California Street, Kirk Avenue, Grove Avenue, and Holly Avenue to California Street."

The effective date of this order shall be the 1st day of September, 1950.

Dated at San Francisco, California, this 22nd day of August, 1950.
