ORDER OF REVOCATION

By Decision No. 16554 dated April 23, 1926, in Application No. 12736, A. G. FRUITS doing business as Tres Pinos, NEW IDRIA STAGE LINE was authorized to transport freight as a highway common carrier between Tres Pinos and Idria and intermediate points. Applicant was also authorized to transport passengers, baggage and express between the aforementioned points by virtue of a prescriptive right as evidenced by Applicants' Local Passenger Tariff No. 1, C.R.C. No. 1, filed October 26, 1917 and bearing the effective date May 1, 1917.

By his letter dated July 31, 1950, Applicant requests the Commission to revoke and cancel the operative rights authorizing service between Tres Pinos and New Idria and intermediate points. As justification for the authority sought applicant states that due to the loss of a mail contract and the closing of a local mine there is no business to sustain the operation.

Therefore, good cause appearing

IT IS ORDERED that the operative rights referred to and described in the opinion are hereby revoked and annulled and all tariffs and time tables on file with the Commission affecting said
