Service Regulation in Decision No.)
35673 on Application No. 25206 between)
the City of San Jose and the Town of)
Los Gatos.)

O P I N I O N

Applicant, Peerless Stages, Inc., is presently rendering a passenger stage service between San Jose, Los Gatos and Saratoga, among other points (Decision No. 35763, dated September 15, 1942, in Application No. 25206, as amended). It here requests authority to use an additional connecting route between two roads now being served by applicant, to-wit: Woodard Road, between San Jose-Los Gatos Road and Union Avenue. Woodard Road is eight tenths (0.8) of a mile long.

As justification for the authority sought, applicant alleges that there are approximately twelve to sixteen patrons residing along Woodard Road who have requested the proposed service. Applicant does not propose any change in its present tariffs and time tables now on file with this Commission. According to applicant there is no highway common carrier presently serving the proposed area.

After full consideration of the facts, the Commission is of the opinion and finds that public convenience and necessity require the establishment and operation of the proposed service. A public hearing does not appear necessary. The application will be granted

by amending Decision No. 35763 in Application No. 25206 and adding thereto the proposed route as an extension and enlargement of applicant's existing rights.

O R D E R

Application having been made, the Commission being fully advised in the premises and it having been found that public convenience and necessity so require,

IT IS ORDERED:

(1) That Route No. 3 as described on Sheet No. 5, in Decision No. 35763, in Application No. 25206, is hereby amended by adding thereto the following route:

"(k) Commencing at the intersection of San Jose-Los Gatos Road and Woodard Road, thence along Woodard Road to where it intersects with Union Avenue.

"Applicant may turn its motor vehicles at termini or intermediate points either in the intersection of the street, or by operating around a block, in either direction, contiguous to such intersection."

(2) That in all other respects Decision No. 35763 shall remain in full force and effect.

The effective date of this order shall be twenty (20) days from the date hereof.

Dated at San Francisco, California, this 11th day of September, 1950.
