FIRST SUPPLEMENTAL ORDER

By Decision No. 44508, dated July 11, 1950, the Commission authorized Arvin Richardson, doing business as Mesa Acres Water Company, to sell and transfer his public utility water system, on or before September 1, 1950, to Mountain Properties, Inc.

Counsel for both parties to the transaction has advised the Commission that they were unable to complete the transfer prior to the date specified for the reason that Mountain Properties, Inc. had not completed its arrangements to finance the purchase price. Such arrangements now have been completed and the parties have requested the Commission to extend to October 1, 1950, the time within which the sale and transfer might be made.

The Commission has considered this matter and is of the opinion that the request should be granted; therefore,

IT IS HEREBY ORDERED that Arvin Richardson, doing business as Mesa Acres Water Company, may sell and transfer his public utility water system to Mountain Properties, Inc., on or before October 1, 1950, subject to the conditions set forth in said Decision No. 44508, dated July 11, 1950.

This first supplemental order is effective upon the date hereof.

Dated at San Francisco, California, this 19<sup>th</sup> day of September, 1950.
