Case No. 5011

Victor P. Showers for complainants. Randolph Karr for defendants.

ORDER OF DISMISSAL

This matter came on for hearing before Commissioner Huls and Examiner Rowe, in Palm Springs, on June 3, 1949, at which time evidence was adduced and, at the request of complainant, the matter was continued for the purpose of receiving additional evidence.

Complainants have, under date of October 19, 1950, requested, in writing, that the above complaint be dismissed without prejudice. Defendants likewise, in their answer, prayed that the complaint be dismissed. Because complainant's request, which is hereby being granted, is that the dismissal be without prejudice, this order will be made effective twenty days after its date.

NOW, THEREFORE, IT IS HEREBY ORDERED that said complaint be, and the same hereby is, dismissed without prejudice.

The effective date of this order shall be twenty (20) days after its date.

Dated at San Francisco, California, this 8th day of November, 1950.
